

IN A WARMING WORLD: HOW DO WE COEXIST WITH FIRE?

A public lecture by Professor David Bowman

Pyrogeographer and Fire Scientist

Director, Fire Centre, University of Tasmania | ARC Laureate Fellow

As climate change intensifies and bushfires become more frequent, how do we adapt to live safely with fire?

Join the Royal Society of Tasmania for a compelling talk by one of the world's leading fire scientists; Professor David Bowman. who makes complex climate science clear, relevant, and urgent.

Date: Sunday, 2 November 2025

Time: 3:30 PM pre-lecture drinks | 4:00 PM lecture

Venue: Geology Lecture Theatre, UTAS Sandy Bay Campus

Free for RST members | \$7 for non-members (cash or online)

All welcome.
